Coos Bay Area Zonta Service Foundation Offers Grants to Local Non-Profits

The Coos Bay Area Zonta Service Foundation is seeking applications from local non-profits to provide grants for programs that make a positive change in the lives of women and children. The purpose of the foundation is to work for the improvement of the legal, economic, educational, health and professional status of women and children. The club focus is to support groups that work to make a positive change in the lives of women and create a better world for them and their communities. **Grants will be provided for either general operating support or special projects.**

The funds available for distribution this year are a result of the club's Celebrity Dinner and Auction held in February, 2007. The Coos Bay Area Zonta Service Foundation recently distributed over \$8,500 in school supplies to Coos County public schools through their **Little Red Schoolhouse program**. This fall \$6,500 in academic scholarship awards to local women will be distributed.

Grant applications are due October 12, 2007. For more information or to obtain an application please visit our web site at: www.zontacoosbay.org or contact Shirley MacAdam at 541-269-9338 or shirley.macadam@hmcwcpas.com.
